

KUNDINGER

Everything you need for Process Technology Solutions...

Automation

- **Advantech** - Embedded Automation Computers, Ethernet I/O Modules, RS-485 I/O Modules, USB I/O Modules, Analog I/O & Multifunction Cards, Digital I/O & Counter Cards, Multiport Serial I/O Cards, Device Servers, Industrial Ethernet Switches, Industrial Ethernet Media Converters, Flat Panel Monitors, Touch Panel Computers, Industrial Panel Computers, AdvantechCare Service Packages
- **CalAmp/Dataradio** - Dataradio products offer point-to-point and point-to-multipoint data communications and are ideal for remote monitoring and wireless data transfer in remote locations where it's not always possible or feasible to use or run hard wire.
- **MK Automation** - Extruded Aluminum Profile Systems along with solutions for material handling, standard conveying, linear motion and assembly products.
- **M-Systems** - Four-wire Signal Conditioners, Two-wire Signal Conditioners, Function Modules, Limit Alarms, Power Transducers, Remote I/O, PC Recorder, Paperless Recorders, Lightning Surge Protectors, Panel Meters, Electronic Actuators & Position Sensors
- **Nematron** - Ultra-Thin TFT Industrial PC's, Industrial Panel PC's, Flat Panel Industrial Monitors (Touch Screen & Non Touch Screen), Touch Screen HMI's
- **OPTO 22 - SNAP Ethernet PAC** Systems for industrial automation, remote monitoring, asset management and data acquisition. Plug-in analog and digital I/O modules and brain boards. Software packages including PacProject® and FactoryFloor® software suites.
- **PACLinkMaster Software Suite®** - Provides you with the ability to effectively manage all your company's Opto22 Controllers. Establishes the right communication links between old and new Opto22 controllers serially and via Ethernet.

Flow

- **Badger Meter** - Nutating Disc, Piston, Oval Gear, Turbine & ElectroMagnetic
- **VorTek** - Insertion and Full Body Vortex Flowmeters
- **Gems Sensors** - Paddle Wheel, Turbine Fluid Flow Switches & Sensors
- **Greyline** - "PORTAFLOW" Portable Transit Time Flow Meter, PDFM - Portable Doppler Flow Meter, DFM - Doppler Flow Meter, DFS-II - Doppler Flow Switch, MFS100 - Microphone Flow Switch, OCF - Open Channel Flow Monitor, AVFM-II - Area Velocity Flow Meter

Valves

- **Assured Automation** - Pneumatic Slide & Angle Body Piston Valves
- **HamLet** - Instrumentation Type Manual & Automated Ball Valves
- **Gems/PreDyne** - Miniature Solenoid Valves & Fluidic Solutions
- **Jamesbury / Metso Automation** - High Performance Ball & Butterfly Valves - Manual & Fully Automated
- **Parker Fluid Control Div** - Skinner Valve - Sinclair Collins - Gold-Ring - Solenoid Valves
- **Pentair - AquaMatic** - Metal & Plastic Angle Body Diaphragm Valves
- **Spartan Scientific** - 2 & 3 Way Manifold Mounted and Stackable Solenoid Valves
- **SVF Flow Controls** - Manual & Automated Ball Valves

Heat Transfer

- **ITT Fluid Technology** - Shell & Tube, Braze Plate, Plate & Frame Heat Exchangers
- **Elanco** - Spiral Heat Exchangers

Level

- **Gems Sensors** - Electro-optic, Conductance, Float, Radar, Ultrasonic Switches & Transmitters, Diptape, Drumtape and SureSite Visual Level Indicators.
- **Greyline** - Non-Contacting Ultrasonic for the following applications: Open Channel Level & Flow Monitoring, Pump Station Level Control, Level Transmitter, Tank Farm Transmitting System, Stingray Portable Level-Velocity Logger.

Temperature

- **Gems** - Temperature Switches
- **Tel-Tru** - Thermometers & Thermowells

Pressure

- **ControlAir** - Precision Regulators, I/P's & E/P's.
- **Gems Sensors** - Pressure Switches & Transducers.
- **Mid-West Instrument** - Differential Pressure Gauges & Switches
- **Tel-Tru** - Pressure Gauges & Transmitters, Diaphragm Seals

OPTO 22
Automation made simple.

Everything you need for Process Technology Solutions...

Additional Solutions

- **Alemite** - Lubrication equipment and supplies.
- **Alpha Technologies** - Push-in style tube fittings.
- **Canfield Connector** - Electrical connectors, sensors, timers and accessories.
- **Gems Sensors** - Solid state relays and Zener barriers.
- **Monnier** - Pneumatic filters, regulators, and lubricators.
- **Parker Hose** - Hydraulic and industrial hose and couplings.
- **Precision Digital** - Digital panel meters, scanners and annunciators.
- **Reading Technologies** - High performance air system filters and dryers.
- **Spectrex** - Flame detection systems.
- **Teledyne Analytical** - Gas analyzers and electrochemical sensors.

canfield connector

Services

- Heat exchanger sizing and selection.
- Flow meter sizing and selection.
- Valve automation (certified Jamesbury Matchmaker distributor).
- Custom hose assemblies while you wait.
- Cable assemblies and custom connectors.
- Custom assemblies, packaging and systems integration.
- Stocking programs and inventory management.
